Information for Page 2

Include all costs you incurred for this subdivision even if all or a portion subsequently changed ownership.

- In the "As of Lien Date" column, please report the costs expended for subdivision (land development) improvements as of January 1st for those properties where construction is in progress as of lien date.
- In the Total Costs column, please report the total projected or actual subdivision (land development) improvement costs that bring the property to "finished lot" status.
- Please comment on any extraordinary circumstances concerning the land and/or the development project that would affect the cost to bring the property to "finished lot" status.
- If Infrastructure bonds apply, provide information on funding/reimbursement amounts &/or fee programs on a separate sheet.

You may provide the requested information on your own form or format; including, but not limited to: an Engineer's Itemized Cost Breakdown, Budget Variance Report, PERT Chart, Disbursement Schedule, etc.
